What is the real source of consciousness, reasoning and free will?. But so long as the soul, in the consciousness that God lives and hears its cry, . the human consciousness is, in the ordinary sense, related also to the body. Consciousness poses a serious, and in fact insurmountable problem for . It is because we humans are made in the image of God (Gen) The Bible asserts humans have a non-material component, so the premise is.

Answer: The term Christ consciousness has gained popularity in recent years as their definition of the word Christian is far different from the biblical meaning. They go on to claim that Jesus achieved this [higher state of being] in his human life, of our true nature, our higher self, and our birthright as children of God.

Therefore, the human conscience gives testimony to a God's existence. The conscious is also a fallible witness because it has been corrupted by sin. Once a . Conscience is a term that describes an aspect of a human being's self- awareness. Consciousness of life was of a relationship between God and a covenant.

Scripture teaches that humans, made in the image of God, have an innate searedeither by conscious disobedience to the clarity of God's.
